MIRÒ

Buffet with three doors. The main unit of this new buffet lies on a metal bridge structure with triangular section, like the one of the Matrix set of consoles. Doors feature a metal profile and push-pull opening system with slowing device; the first two doors from the left close a unique storing unit, while the last one closes a separate compartment. A middle shelf is featured in both parts. Mirò is available in two versions, with or without automatic inner lighting LED systems. MADE IN ITALY.
