

CIRCLE

Circle is a range of revolving tables, conceived to store barware, available in two sizes. The large version features two curved doors and two pull-out drawers. The inside of the doors is equipped with a structure to hold stem glasses, while the drawers can be used to store bottles. The small but taller version opens with the aid of a slim metal handle, and the inside of the curved doors is equipped with two shelves. Circle takes its inspiration from the travel furniture typical of the 20s and the 30s, object-sculptures that were transformable and suggesting several functions. The cabinet, thanks to a fixed turning base, can rotate of 360°. MADE IN ITALY.
