

DALIA

Dalia is a high comfort dining chair with flowing lines, which offers many customizable options. In fact, Dalia is available with or without house, and without house it can be selected with wooden legs or completely upholstered. In the wooden legs option, the seat and the seatback can be upholstered with all Soft Touch Leathers or suitable Armani/Casa fabrics in collection. Thin Leather can be selected only in combination with Canaletto Walnut. The completely upholstered version, instead, features padded legs and Satin Natural Brass feet. In this case, the upholstery can be selected among all Soft Touch Leathers, suitable Armani/Casa fabrics or Technical Shagreen Fabric. A particularly elegant version features Maranello velvet on the seat and decorative Lafayette fabric on the seatback, in matching tones. The insertion of a handle on the reverse of the seatback is an extra optional feature. A protective mini slip cover can be ordered separately. MADE IN ITALY.
