

## JARED

Jared is a reading lamp with Murano glass lampshade and a metal structure. The shade is completely hand made, following the ancient techniques of Murano glassmaking: a series of dove grey matt glass rods are fused on a mass of white opal glass, in order to create streaks similar to those of a rock. After the process of tempering, the glass is worked by hand to get a matt finish. The lamp is illuminated by a led of 3000k to obtain a warm tone. The light is dimmable.
