# RUGS

## **RUG COLORS/DESIGN**

The colours printed in this catalogue give only an idea of the actual colour of the final product. We suggest checking the updated samples available in all our stores.

Slight colour variations may occur from dye lot to dye lot.

To determine the direction in which the design will be developed on rectangular carpets, please refer to the related technical sheets.

## **RUG SIZES**

Due to the handmade nature of our products, a size variation of up to 5% in relation to the original size may occur.

Rugs exceeding a total of 27 square meters have dedicated prices that will be calculated on request.
