

ANTHRACITE GREEN

CROQUIS

Rug with an Art Déco floral motif, available in custom size. The design is determined by the different trimming heights of the silk, which create an elegant three-dimensional effect. This elaborate processing is emphasized by the lustre of the silk that makes this carpet particularly precious. Density: 100 knots/squared inch. The carpet is hand knotted without any child labour. MADE IN NEPAL.

DIMENSIONS

Due to the pattern of the carpet, for the rectangular shape we suggest a size of 290x390 cm. Other sizes can be ordered only after the approval of the design.

CYRANO

Rug with dégradé triangular pattern, available in custom size. The silken triangles on the woolen background are toned down up to create an equivalent motif of wool on a silk background. The elegant look is given by the use of a solid colour that enhances the lustre of silk opposed to the wool. Density: 100 knots/squared inch. The carpet is hand knotted without any child labour. MADE IN NEPAL.
