

TROCADERO

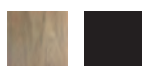

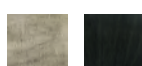

Trocadero is the most iconic Armani/Casa table. Its silhouette is marked by the design of the four legs, placed so that they create the illusion of only two monolithic elements below the table top. Trocadero can be customized by choosing among four different sizes and many finishes, from classic to more particular ones. Options with two materials refer to the finishing of the top and of the legs respectively. The version with Brushed Greige Oak presents a top covered by tempered extra-clear glass. MADE IN ITALY.
