

GALASSIA

Galassia is a set of three squared small tables with different height, so that they can be placed under each other. The thickness of the top and legs is always 4 cm. Galassia small tables can be used in several ways, either placed singularly or together. This set comes in wood, leather or in a very precious finish made in Indonesia: Sea Penshell, a combination of black and grey shell slices disposed to create a striped square on the top.
