

LUNA

Set of three small tables with leaf shape. The three elements have different height and are linked together, so they can rotate and partially overlap. A very iconic version has a top made with Canaletto Walnut and extra-clear tempered glass that covers a panel featuring Himalaya paper (Armani/Casa Exclusive Wallcoverings Collection - Graphic Elements 1), and legs in Technical Pearl Gold Fabric. MADE IN ITALY.

MELROSE

The Melrose range includes a set of two round coffee tables - that can be bought separately - and a round dining table. The coffee tables feature three legs and a base structure in metal. The curved legs are built directly into the metal profile of the top. The top is in wood and has a reduced thickness of only 2,2 cm, to highlight the concept of lightness. Available in two different sizes, the Melrose coffee tables can be placed one close to the other and partially overlap. MADE IN ITALY.
