

ORESTE

Oreste is a small table with crossed legs. It is available in different versions: the option in Brushed Brown Oak features a tray top that can be chosen squared or rectangular, with or without crossed leather internal lining. The base and the tray have to be ordered separately. The chessboard Fair in Armani/Casa accessories collection is designed to fit into the Oreste tray. Other options of Oreste table feature, instead, regular tops (not tray) in precious finishes, available with square top. MADE IN ITALY.
