

JEROLD

Jerold is a sofa that stands out for its clean design and tapered feet in Wood. The seatback features a unique cushion, integrated into the structure. The stitching on the seatback follows the three cushion units of the seat, which are made of foam and feather.

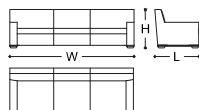

The base and the seatback frames feature coil springs, with the result of a higher comfort. Rectangular seatback cushions are equipped. The range includes different unit options, as well as an armchair. Jerold can be upholstered with all suitable Armani/Casa fabrics or Soft Touch Leathers in collection, but also with a special canvas fabric developed for the Jerold range only.

MADE IN ITALY.
