MARGOT

Margot is a relaxing armchair with footrest, inspired by the design of the range Lea. The structure is in solid wood with four radiant feet. Differently from the Lea chair, Margot has no decorative zip. Margot introduces a material exclusively available on the Margot range: the top quality Red Soft Leather. The upholstery can be selected in the two bi-elastic fabric Gstad and Dubois, as well as all kinds of leathers in collection (cuoio, Soft Touch, Thin). Padding in foam rubber, inner structure in steel.
