

ENGADIN

The Engadin daybed features the same lines of the Engadin modular system, though this piece is conceived to be placed independently. Its design features two radiant armrests, typical of the range, and a long cushion of 80x170 cm which functions as a mattress. Since this daybed has no backrest, it is ideal to place in the middle of a room. Upholstery available in all Armani/Casa fabrics, or thin and Soft Touch Leathers in collection. Fabric covers are removable.
