

GLAM

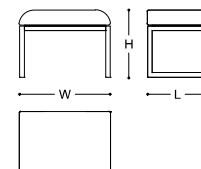

The Glam stool was born to complete the related coiffeuse and is available in a single size. It has a simple but functional design: the seat features curved sides and tubular metal legs with squared section. Differently from the matching coiffeuse, the stool can be upholstered with different materials - like all suitable Armani/Casa fabrics and Soft Touch Leathers in collection - becoming a multifunctional piece. Fabric covers are removable. MADE IN ITALY.

LAWRENCE

Rounded shape footrest inspired by Luna coffee tables. Available in two different sizes, large and small, that can be matched for several décor options. Upholstery available in all suitable Armani/Casa fabrics, Thin Leathers and Technical Shagreen Fabric. Base in bronze lacquer. This sinuous footrest is particularly decorative if upholstered with Lafayette fabric by Rubelli, featuring a Japanese landscape motif. MADE IN ITALY.
