LIGHTING - WALL LAMPS

**HOPE**

HOPE IS A WALL LIGHT WHICH ENTERS THE COLLECTION AFTER IT HAS BEEN DESIGNED BY ARMANI/CASA FOR THE PRIVATE RESIDENCES OF GIORGIO ARMANI, THE ARMANI HOTELS AND THE PROJECTS OF THE INTERIOR DESIGN SERVICE OF ARMANI/CASA. THE STRUCTURE OF HOPE IS TAKEN FROM THE BASE OF THE DONNA LAMP AND WITH THE CENTRAL PART WHICH FUNCTIONS AS DIFFUSOR WITH LIGHT COMING OUT FROM ALL SIDES (FRONT, SIDES, ABOVE AND BELOW). WHILE THE STRUCTURE IS ALWAYS IN PALE GOLD THERE ARE TWO OPTIONS FOR THE DIFFUSOR: A FABRIC VERSION IN WHITE (SAME ONE AVAILABLE ON ALL LAMPS) AND A MORE PRECIOUS VERSION WITH SEMI-TRANSPARENT ONYX WHICH GIVES A VERY LUXURIOUS EFFECT OF BIG VISUAL IMPACT. THE SAME ONYX AS FOR THE TABLE LAMP BLOOM IS USED ON THE HOPE WALL LIGHT. IN ORDER TO FACILITATE THE ASSEMBLY DIRECTLY ON THE WALL, THE LAMP HOPE HAS A HOOK ON THE BACK SIDE TO FIX IT EASILY ON THE WALL.  
MADE IN ITALY.

**DIMENSIONS**

15X10,5X30H M - INCH 5.9X4.1X11.8H

**MATERIALS**

PALE GOLD
