

CHAIRS - CHAIRS WITH ARMRESTS

ELODEA

CHAIR WITH UPHOLSTERED SEAT AND BACKREST, EQUIPPED WITH 2 SOLID WOOD SIDE ELEMENTS WHICH SERVE AS ARMRESTS AND STRUCTURAL SUPPORTS. THE ARMREST HAS A CURVED SHAPE AND ROUNDED CORNERS, CREATING A MORE COMFORTABLE RESTING SURFACE. THE ENVELOPING SEAT IS SUSPENDED IN THE CENTRAL PART, ARMRESTS AND FEET ARE BUILT INTO THE BACK OF THE BACKREST PADDING. THIS DETAIL CREATES A VERY PECULIAR PATTERN ON THE BACK OF THIS CHAIR. THE SEAT AND THE VARIABLE-DENSITY RUBBER BACKREST HAVE BOTH A CONVEX SHAPE TO MAKE THE SEAT AND BACKREST SOFTER AND MORE ERGONOMIC. ELODEA FEATURES DIFFERENT WOOD OPTIONS FOR THE STRUCTURE, AND IT CAN BE UPHOLSTERED WITH ALL SOFT TOUCH LEATHERS IN COLLECTION OR SUITABLE ARMANI/CASA BY RUBELLI FABRICS. IT IS ALSO AVAILABLE IN A SPECIAL VERSION WITH VINTAGE BROWN OAK STRUCTURE AND THIN LEATHER UPHOLSTERY. MADE IN ITALY.
